

Open Office desks

facing the waterfront

Located on the 3rd floor of the BLOX building, this bright desk area offers a practical and comfortable workspace in the center of Copenhagen. The four desks are placed together as a small cluster, perfect for a team, but they can also be rented one by one. The desks face the waterfront, but are not placed directly by the windows.

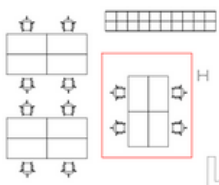

As part of BLOXHUB, you'll have access to large lounge areas, meeting rooms, and kitchens, giving you everything you need for a good and flexible workday. This is an easy and convenient workspace solution in one of Copenhagen's most iconic buildings.
