

Office Space

facing the square and courtyard

Located on the second floor of the historic Fæstningens Materialgård in central Copenhagen, this bright and characterful office is ideal for a team of up to twelve people. The space features sloped ceilings and views of both the square and the courtyard, creating a pleasant and inspiring work setting.

The office is set up with twelve workstations, while still allowing flexibility in how the space is arranged, for example if you wish to create a lounge or meeting area.

Please note that this is a walkthrough office.

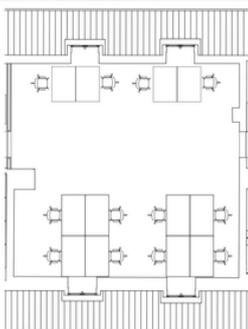

As part of the BLOXHUB community, you also get access to the modern facilities at BLOX, just a short walk away.
